

A Kilimanjaro presentation by arrangement with United Talent Agency

Nick Offerman

All Rise

National UK Tour: 28th August – 1st September

General release tickets on sale Friday 29th March

Artist pre-sale from Tuesday 26th March (10am) – Thursday 28th March (10pm)

As Seen on Parks and Recreation and Fargo

Today, award-winning actor, writer, woodworker, and comedian **Nick Offerman** announces that he will be hitting the road for the first time since 2017, with his brand-new live show, **All Rise**. The public gatherings will be held at theatres across the globe including 4 across the UK – Glasgow, Leeds, Manchester and London.

Nick Offerman's most loyal fans can get tickets before the general public beginning Tuesday 26th March at 10am local time. Tickets will be on sale to the general public beginning at 10am local time on Friday 29th March at OffermanWoodshop.com.

"My aim in this undertaking is to encourage my fellow Homo Sapiens to aim higher in life than the channels of consumerism would have us imagine," said Offerman.

All Rise is an evening of deliberative talking and light dance that will compel you to chuckle whilst enjoying you to brandish a better side of humanity than the one to which we have grown accustomed. Genuflection optional: in my church, you kneel as you please, or not at all!

"It's a proper revival suggesting the existence of a higher power in the land than commerce, one that will cause you to pop, lock and rejoice! Come on down and hear the good news that will make you go jingle-jangle in your juice box"

Offerman is an accomplished entertainer known for ***Parks and Recreation*** (2009), ***The Founder*** (2016) and ***Fargo*** (2014). His role as **Ron Swanson** in *Parks and Recreation*, earned him a **Television Critics Association Award** in the US for Individual Achievement in Comedy. He is also a **two-time nominee** for the **Critics' Choice Television Award** for Best Supporting Actor in a Comedy Series. His first major television role since the end of *Parks and Recreation* was Karl Weathers in the acclaimed series *Fargo*, for which he also received a Critics' Choice Television Award nomination for Best Supporting Actor in a Movie/Miniseries.

In addition to *Parks & Recreation* and *Fargo*, television audiences have seen Offerman on multiple episodes of Adult Swim's ***Children's Hospital*** and ABC's ***George Lopez***. He has also guest starred on numerous series, including ***Deadwood***, ***24***, ***Will & Grace***, and ***Monk*** to name but a few.

His list of film credits is just as extensive including Lake Bell's ***In a World...***, ***21 Jump Street*** with Channing Tatum and Jonah Hill, ***The Kings of Summer***, ***The Men Who Stare at Goats*** alongside George Clooney, ***Sin City*** with Bruce Willis and many more.

As a writer, Offerman has published four books (All New York Times Bestsellers): ***The Greatest Love Story Ever Told*** (with his legendary bride Megan Mullally) (2018), ***Paddle Your Own Canoe: One Man's Fundamentals for Delicious Living*** (2013), ***Gumption: Relighting the Torch of Freedom with America's Gutsiest Troublemakers*** (2015), and ***Good Clean Fun: Misadventures in Sawdust at Offerman Woodshop*** (2016).

While having earned massive recognition for his work on-screen, Offerman also thrives on stage in front of a live audience having got his start in Chicago community theatre, where he was a founding member of the Defiant Theatre. His solo show ***Full Bush*** was a rousing success when he took it to Australia three years ago. Their joint tour ***Summer of 69: No Apostrophe*** was also a big hit across America with the show taking an intimate and hilarious look into his sex life with wife Megan Mullally. Other previous stage productions Nick has starred in include ***Annapurna*** at the Acorn Theatre in New York and the Odyssey Theatre in LA, the off-Broadway play ***Adding Machine*** and the 2015 Huntington Theatre production of ***A Confederacy of Dunces***.

Don't miss American Humorist, Nick Offerman: *All Rise* when he comes to the UK later this year!
